Specialization Wise Placement Breakdown

Career Launchpads by Sector

Lexicon MILE continues to demonstrate strong career outcomes, underscored by a highest CTC of ₹19 LPA and an average CTC of ₹8.25 LPA across a diverse recruiter base of 180+ leading organizations. These outcomes reflect the program's alignment with evolving industry demands for agile, future-ready talent. The majority of placements were concentrated in high-growth sectors such as Banking, Financial Services & Insurance (BFSI) and NBFCs (43%), Information Technology and IT-Enabled Services (33.6%), and Consumer and Capital Goods (9.2%)—signaling Lexicon MILE's deep integration with market-relevant domains.

Lexicon MILE's placement performance reaffirms its commitment to building industry-partnered, outcomes-driven learning ecosystems that empower graduates to contribute meaningfully from day one.

Godrej

accenture

PHILIPS

Sales & Marketing

Accounting for **35%** of total placements, Sales & Marketing emerges as the most sought-after specialization. Students build core strengths in digital marketing, brand stewardship, and strategic selling. Equipped to accelerate business growth and deepen customer engagement, they adapt seamlessly to dynamic markets—becoming high-impact contributors across top-tier organizations.

49 LPA
Highest CTC

Finance

With **32%** of total offers, Finance continues to attract demand for sharp, analytical minds. Students gain a rigorous foundation in corporate finance, investment analysis, and risk management. Trained to navigate complex financial ecosystems, they are primed to lead in banking, capital markets, and corporate finance roles with precision and foresight.

Specialization Highlights

Prominent Recruiters

Analytics

Accounting for **11%** of total placements, Analytics reflects the rising industry demand for data-literate leaders. Students build expertise in data interpretation, visualization, and business intelligence, equipping them to convert complex datasets into actionable strategies that power informed decision-making across sectors.

33 LPA
Highest CTC

Human Resources

Contributing to **22%** of placements, Human Resources remains integral to modern organizational success. Students gain capabilities in recruitment, talent management, and employee engagement—enabling them to cultivate high-performance cultures and align people strategies with business objectives.
